

City of Long Beach 2008-2014 Housing Element Housing Needs Survey

The City of Long Beach is in the process of updating its General Plan Housing Element. The Housing Element is a multi-year plan which sets forth a comprehensive strategy for addressing the community's housing needs. You can help the City evaluate housing needs and program priorities by completing this survey. All responses are considered confidential.

If you would like more information on the Housing Element you can visit our website at www.LBHousingElement.org or call program planner Pat Garrow at 562.570.6005.
